EDDY**

"PARADE PASSING KING EDWARD HOTEL. ", [CA. 1935], BY OLIVER, W. J..

THE KING EDDY STORY

We welcome you all to the historic King Eddy, located in the heart of Calgary's East Village, in a place also known to the Blackfoot people as Mohkinstsis (MOH-kin-stiss), which has been a gathering place for thousands of years. Through these doors have walked musical icons, celebrities, genuine outlaws, and local heroes of all sorts who have been rubbing shoulders here for over a century.

Built between 1905 and 1907 as the King Edward Hotel on 9 Avenue SE (then known as "Whiskey Row"), has offered settlers, railway workers, travelers, and people from all walks of life a home away from home. Over the last 120 years, the King Eddy has survived prohibition, become Calgary's first desegregated bar, and is now one of only two original buildings remaining along the city's historic hotel row – the other being the Palliser Hotel.

In the early 1980s, the King Eddy became known as "Calgary's Home of the Blues" and was one of Canada's oldest blues bars until it closed in 2004. Throughout these years, this legendary venue has been graced by some of the most renowned musicians in the world, including the likes of Otis Rush, Junior Wells, Buddy Guy, Hubert Sumlin, Matt "Guitar" Murphy, Albert "The Iceman" Collins, A.C. Reed, and Sonny Rhodes, as well as many Canadian artists including Colin James, Jeff Healey, Sass Jordan, John Hammond, Tom Cochrane, Bryan Adams, and so many more.

In 2008, the National Music Centre (NMC) acquired the King Eddy and, in partnership with Calgary Municipal Land Corporation (CMLC), demolished and carefully reassembled the historic building according to its original plans, restoring it brick-by-brick to its 1905 glory. The King Eddy reopened in July 2018 as a restaurant, bar, and live music space. The building also houses CKUA Calgary, the Rolling Stone Mobile Studio, NMC recording facilities, and offices. Today, the Eddy remains a cornerstone of music, community, and culture while carrying forward its storied musical legacy.
